

JASON GREENAWALT

EHCC ADVISOR

ABOUT

VP of IT and Management Consulting Services - Na Ali'i

Prior to joining Na Ali'i, Jason spent more than a decade in public service with the Department of the Navy (DON), most recently serving as the Director of Business Operations in the Office of the Deputy Under Secretary of the Navy for Management – leading efforts to transform the DON's business operations, streamline business processes, and reduce operating costs – and was responsible for the oversight, portfolio management, and funds certification of nearly 500 defense business systems with an annual cost of nearly \$1.2B.

Jason's other prior positions include serving on the staff of the Deputy Chief of Naval Operations for Fleet Readiness and Logistics (OPNAV N4) – first as the lead for Strategic Planning, then as the Chief of Staff for the Energy and Environmental Readiness Division – as well as various roles at both the Naval Air Systems Command (NAVAIR) and Commander Navy Installations Command (CNIC). He is a recipient of the Navy Meritorious Civilian Service award and Superior Civilian Service award. Jason possesses a passion for change management, collaborative leadership, public finance, and business IT, and is excited to use his experience to serve Na Ali'i's clients.
